ROBS CALOMEL OF NAUSEA AND DANGER

Doctors' Favorite Medicine Now Purified and Refined from All Objectionable Effects. "Calotabs"—the New Name.

What will human ingenuity do next? Smokeless powder, wireless telegraphy, horseless carriages, colorless iodine, tasteless quinine—now comes nauseous calomel. The new improvement called "Calotabs" is now on sale at druggists. For biliousness, constipation and indigestion the new calomel tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calotabs. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. By morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business. Calotabs are not sold in bulk. Get an original package, sealed. Price, thirty-five cents—(adv.)

CAPTAIN ERNEST HILL
FEELS LIKE NEW MAN

Popular Officer Was in Such Poor Health Before Taking Tanlac He Was Not Able to Report for Duty.

"I feel just like a new man since I began taking Tanlac and I am not only willing, but I am anxious to tell other people what this medicine has done for me," said Captain Ernest H. Hill, Portland, Maine, recently. Captain Hill is in command of the Ben Hur, flying between Portland and Casco Bay. He has been in the service for ten years and is held in high regard as an officer and citizen by all who know him.

"I have suffered from indigestion and stomach trouble for the past eight years," continued Captain Hill, "and at the time I started taking Tanlac I was in such a weakened condition I could hardly stand up. When I walked I would actually stagger like a drunken man and, at times, would have to hold on to something to keep from falling. After every meal I would simply suffer torment. My food would sour and I would swell up so with gas I could hardly get my breath.

"I would also have awful smothering spells at night and sometimes I would have to get up to get my breath. Lots of times I would have to open the windows and doors to let in fresh air, or go out into the open air in order to get my breath. I could not find anything to do me any good and along toward the last I

became so weak and nervous I could not do my work. "Five bottles of Tanlac have made a wonderful change in my condition. It helped me from the very first dose and now I feel as good as I did when I was 20 years old. I sleep fine and have a fine appetite and just feel like a new man in every way. I am now able to be on deck every day ready for duty." Tanlac is sold in Brownsville by the Eagle Pharmacy and in Raymondville by Ben S. Duffield.—(Adv.)
